GS-13 LA \$81,092 to \$105,415 PA

DESCRIPTION OF WORK AT THE 13 LEVEL:

This position is for an energetic incumbent assigned to the Brownfields Team as a "Brownfields Coordinator." The Brownfields Coordinator works in a high-visibility position within Region 9 as part of a 8-member Team reporting to the Deputy Director for Superfund. The Team is responsible developing and promoting the Brownfields program throughout the Regional Office, among State and local environmental agencies, community organizations, and through other public and private entities including redevelopment and economic development agencies, and the real estate developer and banking communities. The incumbent will have responsibilities for working with headquarters and regional staff to coordinate activities relating to Brownfields, environmental justice, and facilitate resolution of Brownfields issues; provide regional input on key national policy issues; provide directions and guidance to grantee recipients, contractors,
